

Item No. _____

Model Number: 3024

Description
FLOSS BOSS

It looks like an Econo Floss. In fact, the Floss Boss uses the Econo Floss ribbon and band. Production is about equal to an Econo Floss.

The Floss Boss is truly a commercial cotton candy machine. It is a lighter duty design – a somewhat smaller motor – a less expensive heat control.

The Floss Boss incorporates the highly dependable four brush and slipping assembly.
